CHASE AND LAURA FEINDEL

Vista, California

Vista, California, is a beautiful city north of San Diego and home to nearly 100,000 people. While the beauty of the area should point people to Creator God, many residents are apathetic when it comes to spiritual matters.

It is for this reason that Chase and Laura Feindel started a church in the Vista community in order to reach those who need to hear and accept the Gospel of Jesus Christ. Chase grew up in Vista and, for a time, the Feindel's new church met in the high school he attended. Today, the couple intentionally makes connections within the community and are seeing many people come to faith.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program provides resources for missionaries like the Feindels to start churches in communities that need to hear the Gospel.

PRAY for the Feindels as they reach the city of Vista and that God will continue to open doors and hearts in the city so that people come to follow Jesus.
