BRIANNA (BRI) MCKINNEY

Denver, Colorado (Go2)

As a teenager, Bri McKinney felt the call to serve as a missionary. She served several summers in Washington D. C., as a Southern Baptist collegiate missionary through the GenSend program.

Upon graduation, Bri continued to serve in D. C., but didn't sense she had yet to land in the place where God would have her. She was asked to serve in NAMB's Journeyman program, now part of the Go2 initiative, which is designed to give recent college graduates the opportunity to serve two years as missionaries.

Bri now serves as a missionary in Denver, Colorado, working with Send Relief ministry partners and local churches to meet physical needs, all while sharing the Gospel.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program gives young adult missionaries like Bri the chance to impact the world for Christ through the Go2 initiative.

PRAY for Bri and other young adult missionaries as they serve on the mission field and share the Gospel. Pray also for the Go2 initiative that it will yield fruitful, long-term, and worldwide results for Jesus.
